

Galen Emanuele A/V & Room Requirements

To deliver the best possible session for your attendees, Galen will need:

- 1) Galen prefers to use a lav mic. He doesn't use any visuals/slides during his presentation, but he does have a single slide he likes to display at the end of his session, which will be sent over with his intro.
- 2) Galen prefers round tables for their inclusive nature, but he's able to work with any room set up.
