

Dr. Gary Bradt Programs

20-Day Video Drip to Inspire Actionable, Positive Leadership in Disruptive Times

- **WHAT:** A series of Gary's dynamic 3-min videos packaged for clients who want to deliver a sustained, daily dose of inspiration and solutions-based action to tackle change and disruption head on. Gary will also provide a customized introductory video to position the content for your team.
- **AUDIENCE:** These video clips are appropriate for every level of employee, from individual contributor to C-Suite leader as they focus on the personal leadership we all need to tap into in times of change and disruption.
- **WHY GARY:** As a psychologist and respected author and speaker on Change, Gary's content is compelling because of his down-to-earth delivery of real stories and research-based strategies for how you can take control and create opportunity even in the most difficult of circumstances.
