

The Art of Collaboration: (An Interactive Add-On Art Experience)

Note: There is a separate fee to add this experience on to the keynote (fee based on the amount of people participating).

In addition to his inspiring talk, Artist Phil Hansen designs a hands-on interactive art experience that brings your audience together to create a stunning and unexpected work of art. This fun, engaging and collaborative project furthers the experience of embracing challenges through teamwork, and demonstrates the power of coming together to create something new. Client keeps the final artwork.
